

Penns Woods Winery's Wine Club

July 2015

Penns Woods Merlot 2012- Full of bold, ripe blackberry and dark cherry tones, this Merlot leads into dark chocolate tannins. Hints of smoke, vanilla and leather are prevalent but not overpowering. This wine can easily be aged for 4-6 years.

Pairs with grilled chicken with mushrooms or blackened salmon.

Penns Woods Cabernet Sauvignon 2009- This robust, full bodied wine is aged to perfection. It draws you in with the nose of plum and dark cherries and provides a long, dry finish with rich cassis and tobacco flavors.

Pairs finely with a steak or duck roast.

Bancroft Field Blend Red NV- A light bodied red that greets you with flavors of ripe black cherry and vanilla. The cherry flavors persist through the palate along with hints of blueberry and a touch of candied fruit on the finish.

Pairs well with summer salads and grilled peaches.
